## APRIL '10 NEWSLETTER

This month our meeting was at Giuseppe's, President Greg Miller started with a report on our March DE which (for the first time) lost \$850. Although the weather the day of the DE was very good, Greg felt the lingering winter and a threat of rain for the event made for a light turnout. There were no incidents at the DE, no one crashed or did serious mechanical damage. Mark Finley was driving a V8 Miata Roadster and the differential seized up from possibly lack of lubrication, not exactly sure at this time?

For our May27th DE event we already have many signed up, Greg will call someone at Smokey Mountain Region and Stan Mosley will call other car clubs for the event, in an effort to have more attendance. Hugh reported that he had given the information to Zone 3 Rep Bob Saville for reporting at Barber Motorsports Porscheplatz and his Zone 3 events calendar. Greg would like to keep the same format with only 60 to 65 cars, so participants can have more enjoyable track time, with less cars on the track during class run periods . Anyone interested in registering for our DE events go to [www.motorsportreg.com](http://www.motorsportreg.com).

Robert McQueen suggested we do a Concourse in conjunction with the DE, this is done with some Ferrari events and may be something we can consider in the future?

Lingenfelter 2010 L T/A

Thanks to Greg & Nicole for hosting a splendid Wine/Cheese/Dessert party at their home last month. It was well attended, everyone had a wonderful time and the wine was outstanding!!! Greg stated he was not totally happy with the new caterer's food and will use another caterer for our next event.

Our Saturday morning Breakfast Posse's are going over great, at the last two events we had 15 to 20 cars and at least half of them went on a road tour after breakfast. Lots of

fun and a great time to check out everyone's ride!!!

Robert McQueen has invited our club to his home for a Spring Party with BBQ (catered) and entertainment. We can have our own car show as he has lots of parking for displaying our Porsche's and pictures. This will be our club substitute party for the canceled Christmas party.
