Dear Porsche Club Members:

On behalf of the staff, Board of Directors, and especially the young people we serve here at the Boys & Girls Club of Bristol, I want to thank you for your recent gift of 600.00 for our program in memory of Heather Robinette. This was a most generous gift on your behalf and we are most appreciative.

Our mission is to inspire and enable all young people, especially those from disadvantaged circumstances, to realize their full potential as productive, responsible and caring citizens.

Since 1949, we have been helping the young people in our community to grow and develop into contributing adults. And we have been able to do this because of people like you who see the importance of our work.

The Boys & Girls Clubs of Bristol is currently offering its exciting and dynamic programs at four locations. Through these efforts we are currently serving over 225 young people each day.

Thanks once again for your wonderful vote of confidence in our program and for your ongoing support.

Sincerely,

Eric Clark
