## Wilderness Trail Region Porsche Club of America

## MARCH '10 NEWSLETTER

Giuseppe's was our March WTR—PCA meeting place again. They have eliminated the limited specialized menu for our meetings, allowing the full menu to be used. As usual great food and a quiet comfortable room for our meeting.

Greg welcomed Ed and Nancy Seabolt to our meeting and invited them to participate in our activities. They have a Porsche Boxster and raise German Shepherd dogs.

Treasurer Barbara Lang reported she recently mailed a \$250 check to Troutdale's, for canceling our Christmas Party with them, due to the weather. This was approved last month at our meeting. She paid \$450 to PCA for our upcoming DE insurance and paid VIR \$2,000 for our deposit on the DE. Barbara deposited \$322 in rebates from PCA on new memberships and renewals and \$2,902 from Motorsport.reg on registrations for the DE. Our checkbook balance is \$14,086.67.

We currently have 41 signed up for our March 25th DE and need another 15 registered to break even on the event. Greg will call the Smokey Mountain Region and invite them to participate in our event. There are more openings for the Novice class and we would like to see more members "blow the carbon" out of their Porsche's by signing up for our DE. We have some great instructors who will monitor your driving and show you the lines, for a safe fun filled day at VIR.

Robert McQueen reported that Ferrari will have a 2-day DE event at VIR on July 14th and 15th. They run their event similar to ours with limited classes and registrations, so everyone will have less cars on the track and more track time. He will pass on the information to us as soon as registration is opened.

On October 8th, 9th and 10th The Crown Point Region in FL will have a DE at Daytona Speedway, several members plan to attend as they really enjoyed the BMW DE at Daytona last December.

Greg will be attending the Presidents meeting in Atlanta on March 20th for Region 3. He attended last year and hopes to get new ideas from other Regions on new events, tours and other activities to generate interest in our Region.

The Porsche Parade is July 3 thru 9th in St. Charles, ILL at the famous resort Pheasant Run. Registration is this week, **see my e-mail sent last week**. If you plan to attend **YOU MUST REGISTER NOW**. This is the largest Porsche event of the year and always a great time to meet new friends and see lots of Porsche's.

Ed Seabolt admiring all our Porsches's @ Breakfast Posse

Saturday March 6th we met at the airport Cracker Barrel for our Breakfast Posse. Please enjoy the photo's included of members cars. After breakfast and some 'tire-kicking' we drove to Rick Hill Porsche, to check out some cars and see their new renovations. As you can see from the pictures we had about 15 for breakfast (20 last time), the Saturday affair is growing each time and is a lot of fun.

Great variety from Boxster-S, M3, C4S, GT3 and Boxster S again

Ed Yates explained how he came up with the selections and equipment on his new GT3, which he ordered while vacationing in Europe last fall. He saw one very similar to his that was about to be shipped out and liked the Crème color, since it was the same color as his first Porsche 32 years ago. Ed stated he has purchased 64 cars of various brands from Rick Hill Imports over the last 32 years. **WOW IS THAT A LOYAL CUSTOMER OR WHAT???**

- Finley will have a DE Tech session at Greg's home on Sunday March 21st starting at 5:00 PM. Anyone desiring their car to be checked please bring their tech sheet to Greg's.

Greg announced he is thinking of having a Wine / Cheese and Dessert event at his home on Saturday March 27th. He will confirm and Hugh will e-mail the announcement with time, etc., after he speaks with his wife Nicole.

Greg would like for our club to do a Concours/picnic this summer in conjunction with Fun Fest. Perhaps have the event at Allendale? Everyone please give some thought about such an event and report any ideas at next months meeting.

Robert McQueen has offered his home for a spring party in April or May. He has plenty of parking, we could have our own mini-car show along with possibly some entertainment? Robert will report back next month on a date, etc.
